**We Worship in Prayer**

**\*Gracious God, we confess that we are slow to respond to Your call and often ignore it altogether. We cling to our creature comforts and ignore Your invitation to follow You. Forgive us, Lord, and help us to walk in Your Light. We pray this in the name of the Father, the Son, and the Holy Spirit. Amen.**

### **Four Fishermen Called as Disciples**

<sup>18</sup> And Jesus, walking by the Sea of Galilee, saw two brothers, Simon called Peter, and Andrew his brother, casting a net into the sea; for they were fishermen. <sup>19</sup> Then He said to them, “Follow Me, and I will make you fishers of men.” <sup>20</sup> They immediately left *their* nets and followed Him.

<sup>21</sup> Going on from there, He saw two other brothers, James *the son of* Zebedee, and John his brother, in the boat with Zebedee their father, mending their nets. He called them, <sup>22</sup> and immediately they left the boat and their father, and followed Him.

## 2025 Finance Summary

The two numbers below are a comparison of contributions to the **General Fund** that we use to pay most of the church's bills.

<u>2024</u>	<u>2025</u>
-------------	-------------

\$57,190	\$62,568 Offering Plate
----------	-------------------------

Total giving, however, also included some employer matching gifts, a few direct deposits and some transfers from the Parsonage Rent Fund which made that number higher, \$68,840.

At first glance, this looks good (our giving increased) AND our expenses last year (\$67,224) were slightly less than this income. **BUT** while we paid our bills in full, those **bills increased in 2025** causing us to also use some aforementioned transfers from the Parsonage Rent Fund **and** use some of the carryover from last year's General Fund ending balance to pay them.

The reality is, there is reason to celebrate but we also need to be aware this pattern will likely catch up to us at some point.

It's safe to say our largest budget expense increase came from our insurance bill which we can't control. In my opinion, there are no obvious expenses to cut so we are thankful that we have the Parsonage rent income currently (\$13,200) as yet another source besides the 3 mentioned above (plate, direct deposits and employer matching) to also use when necessary.

As usual, I thank God and this church for its consistent giving. It continues to amaze me what we are both giving, and unfortunately what our expenses have become.

Thanks for listening, and thank God for all the blessings he has bestowed on us.
